Washington, DC 20036

2009 AF&PA College/University Recycling Award

- I) **Provide an overview of your recycling program, including what paper grades are collected. The overview is limited to 500 words.**
- II) **Provide responses to the criteria listed below. Each response is limited to 150 words.**
 - 1) What is the student population for your college or university?
 - 2) How much paper was recovered for recycling by your college or university in 2008?
 - 3) Explain how and why the recycling program was started.
 - 4) How have educators, students, faculty and custodial staff been educated on the benefits and the specifics of the program?
 - 5) How do you measure improvements in the program?
 - 6) What partnerships have been formed to promote recycling?
 - 7) What makes your program unique?
 - 8) How has the recycling program saved the school money?
 - 9) How did you learn about this award? (optional)
- III) **Optional: Supporting materials can be included.**
